TROLLEY RENEWAL

Station Construction: Downtown and Blue Line Stations

January through March 2013

NEWS AND UPDATES!

- Construction is anticipated to begin in April 2013 at the **Barrio Logan, Harborside** and **Pacific Fleet** Trolley Stations on the Blue Line. This work will continue through August 2013.
- New low-floor cars are now operating on the Orange Line through downtown.
- Please note that according to federal regulations, train conductors are required by law to sound the horn when approaching and passing through an active construction site, even in a quiet zone, as a safety measure.

CURRENT CONSTRUCTION

Some stations may require occasional night or weekend construction work. Access for pedestrians and businesses will be maintained at all stations throughout construction.

Please use **extra caution** during construction and follow the direction of the on-site flagging staff when crossing the tracks.

5TH AVENUE (CLOSED DURING CONSTRUCTION)

- Construction is anticipated through March 2013.
- There may be temporary lane closures on 5th and 6th Avenues to allow for construction deliveries or activities.
- Trolley access available at Civic Center or City College Stations.

12TH & IMPERIAL TRANSIT CENTER (OPEN DURING CONSTRUCTION)

- Construction is anticipated through March 2013.
- Temporary lane closures on westbound and eastbound Imperial Avenue are anticipated during construction.
- The center platform is now open. The east platform will be closed for six to eight weeks, beginning on January 5, 2013.
- Trolley access available via center platforms only.

C STREET IMPROVEMENTS

- C Street traffic signal improvements work is anticipated from January through late March 2013.

TRACTION POWER SUBSTATIONS (INSTALLATION AND/OR DECOMMISSION)

- Construction has begun for the retrofit/replacement of over 20 traction power substations throughout the Blue and Orange Lines that convert power for Trolley operations.
- Substation installation and/or decommission at the intersections of Kettner Boulevard & A Street, 12th Avenue & Imperial Avenue, and Harbor Drive & Cesar E. Chavez Parkway will be ongoing through June 2013.

Construction schedules may change with very little notice.

The Trolley Renewal Project

The Trolley Renewal Program is a joint project with the San Diego Association of Governments and the San Diego Metropolitan Transit System. Once complete, new low-floor Trolleys will operate throughout the system. All stations will be equipped with next-arrival signs, new shelters and seating. The end result will be easier access, quicker trips, a more comfortable ride, and an enhanced transit experience. This work is part of a $720 million project to renew the entire MTS Trolley network. Funding for the project was provided by *TransNet*, the regional half-cent sales tax for transportation administered by SANDAG; California Proposition 1B; and the American Recovery and Reinvestment Act of 2009.
